Meditation on the Mind Like the Sky - Kadampa Center

Our minds are completely clear just as the sky is completely clear The light of the sun shines down on us through the clear sky Our awareness and wisdom shines through the clarity of our minds Sometimes clouds fill the sky and obscure the sunshine, but the sky doesn't get upset, the sky doesn't identify with the clouds The sky doesn't

"What is that stuff?"

Clear, blue water does not contain a lot of the particles or dissolved, colored material that intercepts and reflects light (Think of a clear blue sky versus a hazy, smoggy sky--the hazy air has more particles in it) As a result, the longer wavelengths of light toward the blue part of the light spectrum

Excerpts from Charles Darwin's Voyage of the Beagle

tion might spoil A single green leaf can scarcely be discovered over wide tracts of the lava plains; yet flocks of goats, together with a few cows, contrive to exist
