**It All Together**

Jon Scieszka's Math Curse (1995), a humorous mathematics tale about a boy who wakes up one morning to find that every situation in his life is a mathematics problem After reading the story, I told my students that they were under the "math curse" and would see mathematics problems everywhere throughout the day

**How I Became a Mathematician - University of Washington**

The math teacher, Mr Reed, habitually tortured us at lunchtime There was a free period afterward, and he knew that all the boys were chomping at the bit to get outside and play soccer He would stand up and look around the room, open his mouth as though about to dismiss us, and then sit down with a self-satisfied smirk and go back to his
